Anggota Tim : - Richie 191110368

- Alvin Goliandi 191110325

Judul Prototype : Morass

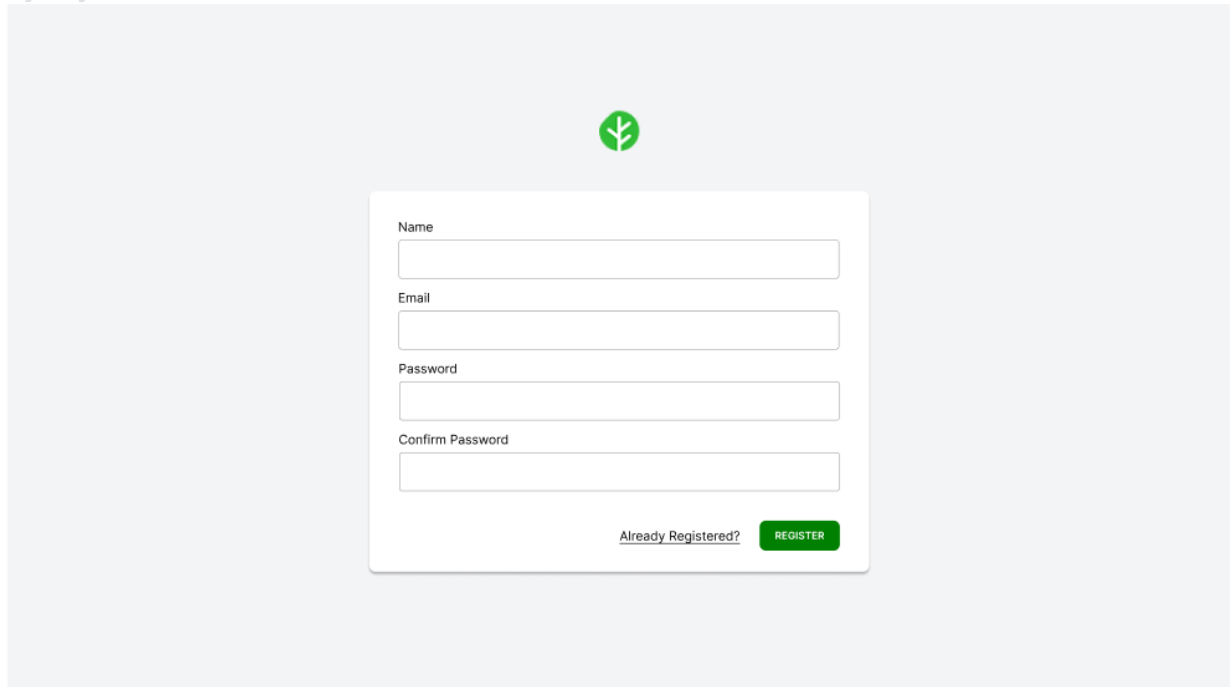

Deskripsi Prototype : Morass merupakan aplikasi berbasis website dengan tema Digital Game Online Shop yang dikembangkan dengan framework Laravel dalam penggunaan bahasa pemrograman HTML, CSS, JS, PHP

Link Github : [PeeOops/Morass: Laravel Digital Game Online Shop Project \(github.com\)](https://github.com/PeeOops/Morass: Laravel Digital Game Online Shop Project)

List User Story :

User Login Register

RegisterPage

RegisterPage

Logo: A green circle with a white stylized 'Y' or plant-like symbol.

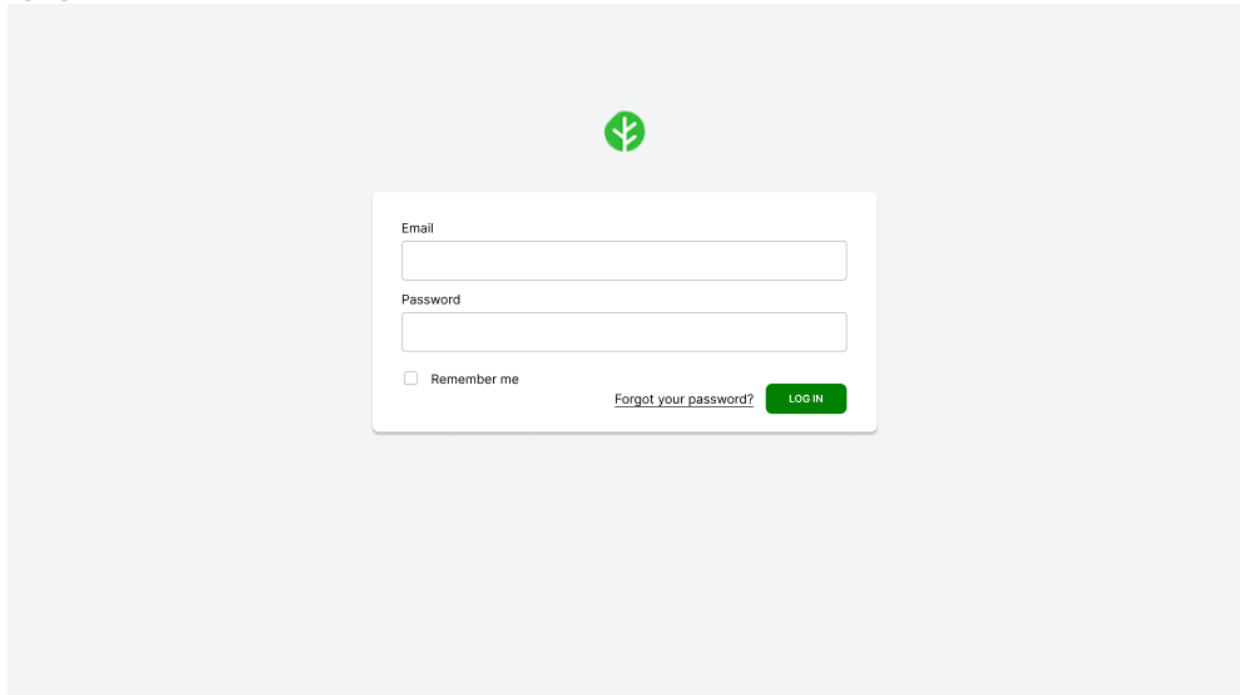

Form Fields:

- Name
- Email
- Password
- Confirm Password

Buttons:

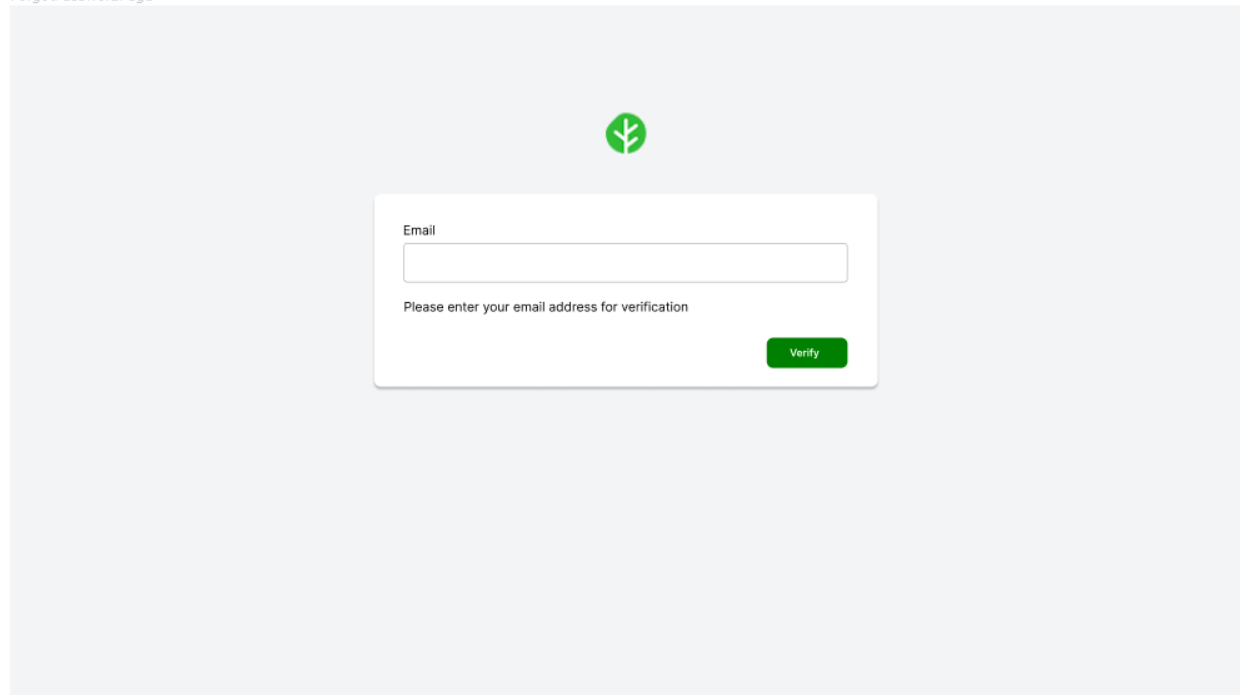

- [Already Registered?](#)
- REGISTER**

LoginPage

The Login Page features a light gray background. At the top center is a green circular logo with a white stylized plant icon. Below the logo is a white login form with rounded corners. The form contains two input fields: 'Email' and 'Password'. Below the 'Password' field is a checkbox labeled 'Remember me'. To the right of the checkbox is a link that says 'Forgot your password?'. At the bottom right of the form is a green button with the text 'LOG IN' in white capital letters.

ForgotPasswordPage

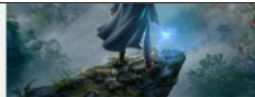

The Forgot Password Page features a light gray background. At the top center is a green circular logo with a white stylized plant icon. Below the logo is a white form with rounded corners. The form contains one input field labeled 'Email'. Below the input field is the text 'Please enter your email address for verification'. At the bottom right of the form is a green button with the text 'Verify' in white capital letters.

- As a user, I can login using my credentials that have been entered in register page so that I could access the web app using my own credentials
- As a user,i can reset my password if i have forgotten my password so that i can gain my access back to the web app

Treyarch tweeted a Zombies teaser on August 15, saying "Korifex must die. Vanguard Zombies concludes in Season 5 with The Archon." The developer included an image of the logo artwork for The Archon, which is a stone-style text with glowing red symbols. The tweet also added confirmation that this final map is going to be a traditional round-based experience.

- As a user, I can edit my profile data so that I am able to change my profile picture, name and even my security

- As a user, I can select and add new address to my profile so that I can freely change my pickup destination wherever I want
- As a user, I can select and add my payment method so that I can use which method is comfortable for me

Admin Login

LoginPage

The image shows a login form for an admin user. At the top center is a green circular logo with a white stylized plant icon. Below the logo is a white rectangular form with rounded corners. Inside the form, there are two input fields: the first is labeled 'Email' and the second is labeled 'Password'. Below the password field is a checkbox labeled 'Remember me'. To the right of the checkbox is a link that says 'Forgot your password?'. At the bottom right of the form is a green button with the text 'LOG IN' in white capital letters.

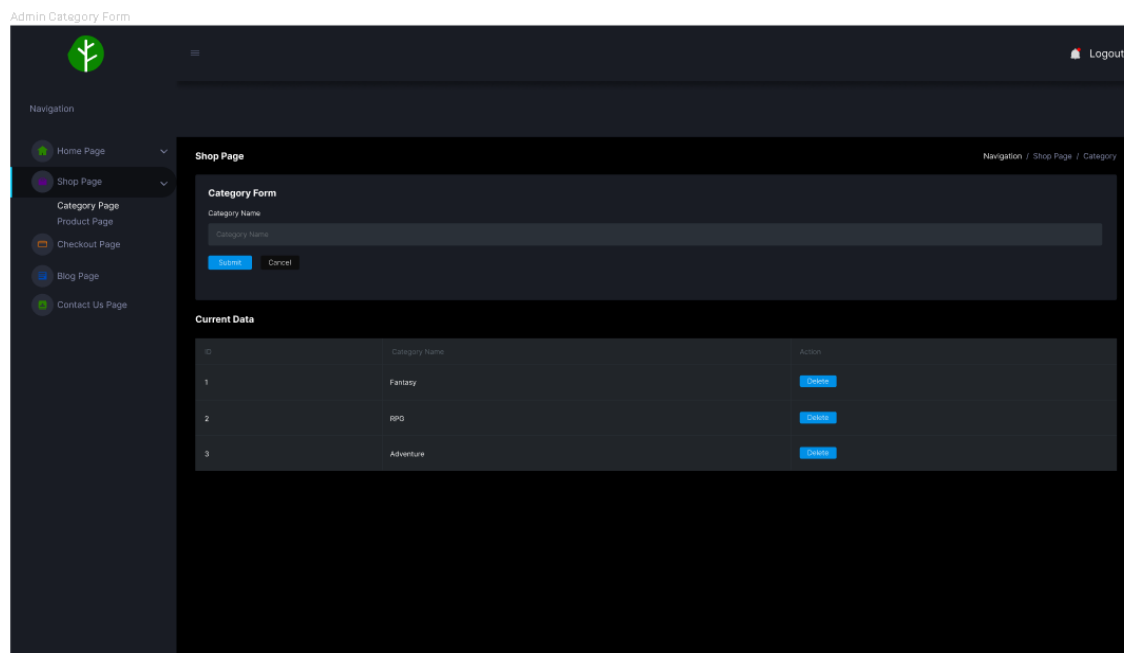

- As a Admin, I can login using my credentials that have been registered so that I could access the web app with admin account

Admin Dashboard

- As an Admin, I can access the admin dashboard so that i could access and edit data in the admin dashboard

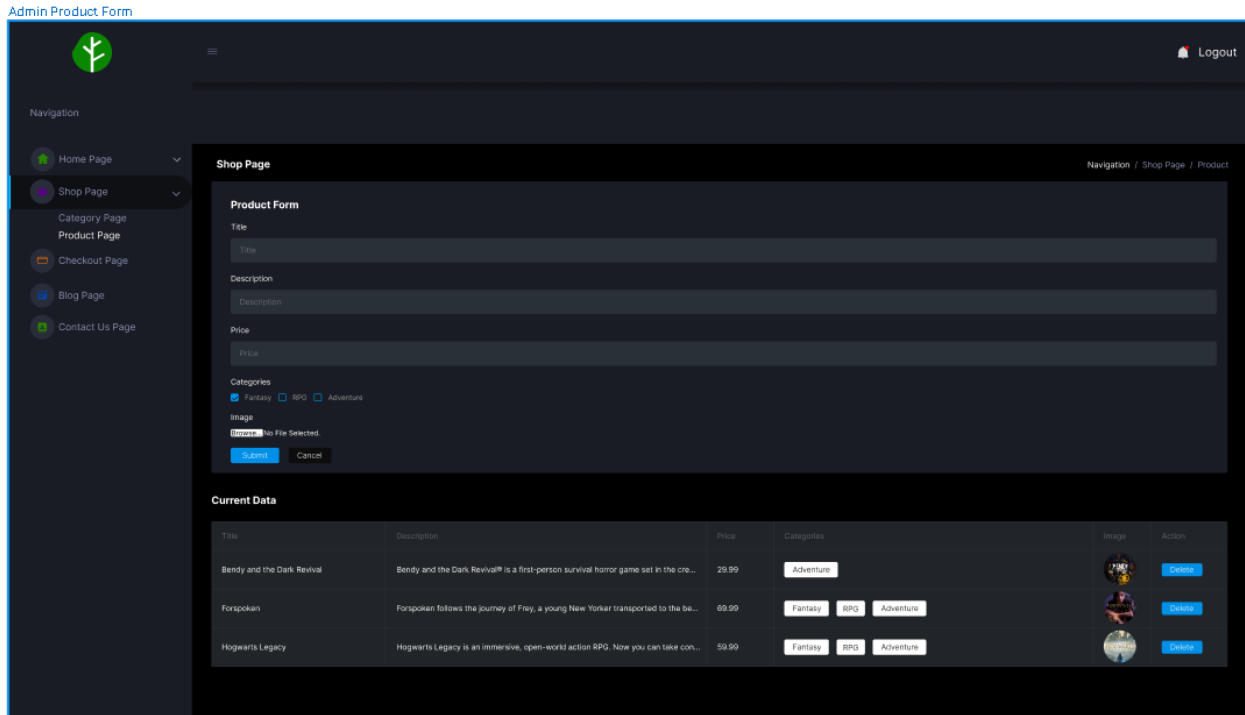

Admin Category

- As an Admin, I can add a new category for games so that i could categorize our games
- As an Admin, i can delete a category so that i could remove unwanted or unused category

Admin Blog Page

The screenshot displays an administrative interface for a blog. On the left is a dark sidebar with a navigation menu containing: Home Page, Shop Page, Checkout Page, Blog Page (highlighted), and Contact Us Page. The main content area has a dark header with a logo, a 'Logout' button, and a breadcrumb trail: 'Navigation / Home Page / Featured Games'. Below the header, a red warning message states: 'You can only have 3 data exist for highlight, make sure to delete or edit it before adding another data'. The primary section is the 'Featured Title & Description Form', which includes input fields for 'Title' and 'Body', and a file upload section for 'Image' with a 'Choose File' button and a 'No File Chosen' status. At the bottom of the form are 'Submit' and 'Cancel' buttons. Below the form is a table titled 'Current Data For Featured Games'.
